While the greatest possible care will be exercised by management to protect patrons of the Burt County Fair, each individual will be held responsible for his or her own actions and the management will not be accountable or responsible for any injury.

The Burt County Agricultural Society board of directors reserves the right to interpret these Rules and Regulations and any matters, questions and differences in regard thereto, or arbitrarily settle and determine otherwise arising out of, connected with, or incident to the Fair.

The Burt County Fair Board has adopted the uniform rules and regulations of the great Northeast Nebraska Fair Circuit, and those rules and regulations as printed herein, will govern all exhibitors, exhibitions and persons exhibiting or attending or having any connection with the Burt County Fair.

All premiums must be called for before 10:00 a.m. on Wednesday, July 23rd or the same will be forfeited to the Agricultural Society.

OPEN CLASS ENTRY & RELEASE TIMES

The Ag Building will be closed to all visitors during judging on Friday morning beginning at 8:00 a.m.

Open Class Entry & Release times are listed on the first page of each Department.

SUPERINTENDENTS

Superintendents must be on the grounds at the opening of the Fair to receive all articles belonging to their departments and see that they are arranged in proper places for exhibition.

Superintendents are directed to familiarize themselves with their duties as to keeping proper records, handling of monies passing through their hands, making out payrolls,

appointing assistants, filling reports and returning all books and records for their departments.

Superintendents will have full and complete charge of everything in their proper departments, and will be looked to for proper arrangement and management and also for the proper entertainment of the public in their respective departments.

Superintendents must be available from 8:00 PM to 9:30 PM on release day – Poultry & Birds from 4:00 PM to 6:00 PM.

ENTRY PROCEDURE

Entries are free in all classes. All entries will be made in strict compliance with the official premium list and awards made in accordance therewith. The Agricultural Society will do all it can to protect and care for the articles exhibited but it will not be responsible for any loss or damage that may occur. All articles must be entered in their proper classes. All persons may exhibit in Open Class.

All protests must be made in writing and accompanied by a \$5 deposit which will be forfeited if protest is not sustained. The protest must clearly state the cause of complaint/appeal, and must be filed with the Secretary by noon on the last day of the Fair.

JUDGES

If, in the judge's opinion, an animal's age is misrepresented, he or she has the power to disqualify the same from competition. The judge's decision will be regarded as final in case of dispute regarding breed, age or type of animal.

Judges will receive their books and instructions at the direction of the department superintendent. The judge shall place the classes after the superintendent or clerk shall have found entries correct.

Judges cannot judge a class where they are competing for a premium. No person may interfere with the judge's work.

Judges will not award any animal or article a premium unless, in their judgement, it is entitled to the premium awarded. If no competition, a judge will decide what premium an exhibit merits.

In order to accomplish one of the principal purposes of this Fair, judges will give reasons for making placings in the various classes.

PREMIUMS

Purple ribbon - superior quality

Blue ribbon - excellent quality

Red ribbon - good quality

"Premiums will be paid by the respective superintendents when the exhibits are released."

EXHIBITORS

Please check the entries for the different departments that you wish to enter and help our superintendents and their assistants in adhering to these rules, as this will lighten their work and also aid materially in department management. Please keep in mind that every one of our superintendents and their helpers are ladies and gentlemen and that they all serve without pay for the good of the Fair.

Parking is limited by the amount of space available on the Fairgrounds. Only livestock exhibitors can be granted auto on grounds privileges.

GROUNDS REGULATIONS

Officers will show you where to park, will aid you in every way possible but Fair management assumes no obligations and no liability for any theft or damages that may occur. Thank You

To Our Dedicated Fair Participants

Because of you, this fair is possible. Your time, energy, creativity and talents are what make every moment of Burt County Fair worthwhile.

There are certain people in our lives who just make the world a better place. They give us hope and raise our spirits simply by being the kind of people they are. Some people stand up and champion a cause, or provide the spark, or defy the odds, or do the right thing simply because it's right. They don't really worry about fame or acclaim, they just think about being good friends, good neighbors and good people. We don't say it often enough, but we are grateful to have these people in our midst.

Thank you for being you.

See you next year!!!
