Thank You

To Our Dedicated Fair Participants

Because of you, this fair is possible. Your time, energy, creativity and talents are what make every moment of Burt County Fair worthwhile.

There are certain people in our lives who just make the world a better place. They give us hope and raise our spirits simply by being the kind of people they are. Some people stand up and champion a cause, or provide the spark, or defy the odds, or do the right thing simply because it's right. They don't really worry about fame or acclaim, they just think about being good friends, good neighbors and good people. We don't say it often enough, but we are grateful to have these people in our midst.

Thank you for being you.

See you next year!
